AFTER ALLOWANCE**

Mail Stop Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The above-captioned case has been allowed and the Issue Fee was submitted on March 2, 2007. Applicants would like to have the cited references (as submitted on Form PTO-1449), included in the application file. These references were cited in related applications and are being submitted herewith to provide background information on existing art.

Applicants are filing this Information Disclosure Statement (IDS) to satisfy their duty of disclosure. Applicants do not believe that the patents affect the patentability of the claims in the above captioned application. However, Applicants offer that the references, though cumulative and not considered to be of particular relevance, may fall under the duty of disclosure; therefore, Applicants are filing this IDS. Applicants understand that since this IDS is being submitted *after allowance*, it will not be considered, but will be placed in the application file, and the application will proceed to issuance.

No fee is believed due in connection with this paper. However, the Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account no. 06-1325 for any matter in connection with this response.

Respectfully submitted,

FLIESLER MEYER LLP
